CONSTRUCTION: 1" Energy Foam • BeautyEdge® • 10 Year Limited Warranty

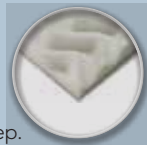

DualCool™ Technology Fiber

- Temperature Management – A fiber enhanced with silver designed to help move both heat and moisture away from the surface of the mattress to maintain an ideal sleeping temperature.
- Elevated Comfort – A soft, supple fiber enhanced with silver to prevent the growth of stain and odor causing bacteria, mold and mildew to help keep your mattress fresh.

AirFeel™ Foam

A soft open cell foam delivers high airflow helping to keep you comfortable during sleep.

AirCool® Foam

A channeled surface design that promotes airflow through the mattress.

GelTouch® Foam

A soft gel foam that provides soothing comfort with exceptional surface contouring and conformability.

815 Density Beautyrest® Pocketed Coil® Technology with Ventilated AirCool® BeautyEdge®

Helps deliver conforming back support.

DualCool™ Technology Fiber

- Temperature Management – A fiber enhanced with silver designed to help move both heat and moisture away from the surface of the mattress to maintain an ideal sleeping temperature.
- Elevated Comfort – A soft, supple fiber enhanced with silver to prevent the growth of stain and odor causing bacteria, mold and mildew to help keep your mattress fresh.

AirCool® Foam

A channeled surface design that promotes airflow through the mattress.

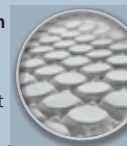

AirCool® Gel Memory Foam

This memory foam utilizes the unique properties of gel helping to provide both pressure point relief and a cool comfortable sleep environment.

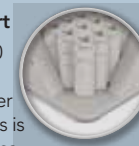

GelTouch® Foam

A soft gel foam that provides soothing comfort with exceptional surface contouring and conformability.

BackCare® Support

The addition of 490 coils strategically located in the center third of the mattress is designed to enhance contouring back support, helping you to sleep comfortably.

815 Density Beautyrest® Pocketed Coil® Technology with Ventilated AirCool® BeautyEdge®

Helps deliver conforming back support.
